Basic Premium Definition

Basic premium is defined as the premium charged for the coverages outlined in the description of coverage and basic coverage limits sections for each form, after

applying the appropriate deductible credit or debit. It does not include credits or debits for **Increased Limits** or **Decreased Limits**, **Optional Coverages** or **Discounts**.

However, the definition of basic premium for Form 33 changes when **Extended Dwelling Coverage** and/or **Full Value on Personal Property** (Coverage C) are eliminated. In these cases only, basic premium will reflect the premium reduction associated with eliminating these coverages.

Description of Coverage

It is mandatory that insurance be written for all coverages provided under both Sections I and II of the homeowners policy.

The following is a general description of the coverage provided by the individual homeowners forms. The policy, forms, endorsement options and appropriate product guide rules should be consulted for details.

Section I – Property Coverages

Form 33

Covers the dwelling (Coverage A) and other structures (Coverage B) against risk of physical loss (with certain exceptions) and covers loss of use (Coverage D). Loss of use is provided when loss from a covered peril is sustained. Personal property (Coverage C) is covered against loss by fire, the usual broad form perils, and theft.

Extended Dwelling Coverage provides up to an additional 25 percent of Coverage A should repair or replacement exceed the Coverage A amount displayed on the declarations page.

Full Value on Personal Property (Coverage C) and **Extended Dwelling Coverage** are automatically included but may be eliminated.

Building Ordinance or Law Coverage is included at 10 percent of Coverage A.

Form 4

Covers personal property (Coverage C) and your customer's interest in additions and alterations on a

named perils basis, and covers loss of use (Coverage D). Loss of use is provided when loss from a covered peril is sustained.

Full Value on Personal Property (Coverage C) is automatically included but may be eliminated.

Form 88

Covers personal property (Coverage C) on a named perils basis, and covers loss of use (Coverage D). Loss of use is provided when loss from a covered peril is sustained.

Full Value on Personal Property (Coverage C) is automatically included but may be eliminated.

Condominium building items are covered against risk of physical loss (with certain exceptions).

Building Ordinance or Law Coverage is automatically included at 10 percent of Coverage C.

Section II – Liability Coverages

All Forms

Coverages include personal liability (Coverage E) and medical payments to others (Coverage F).

Policy Period

Changes on Policies

Coverages and limits (above the minimum) may be increased or decreased, added or deleted, during the term of the policy by selecting Policy Change on Safeco Now™ and submitting a change request to us.

It is not permissible to cancel any of the mandatory coverages unless the entire policy is canceled. For Form 33 policies, Coverages A, B, C, D, E and F are mandatory. For Forms 4 and 88 policies, Coverages C, D, E and F are mandatory.

If the policy is canceled at the request of either the company or the insured, the return premium shall be 100 percent of the pro rata unearned premium. Return premium of amounts less than \$3.00 shall be waived.

Premium Revisions

Premium revisions will be made in accordance with the following procedures:

- The effective date of such revisions will be as announced by the company.
- Changes made under the following provisions may be made effective only on the inception or renewal date of the policy:

If the premium is decreased, a policy issued prior to the effective date of the premium change with an inception date on or after the effective date of the change may be endorsed to the new premium.

Renewal Business

If the premium is decreased, a policy on which an extension certificate has been issued prior to the effective date of the premium change with a renewal date on or after the effective date of the change may be endorsed to the new premium.

Secondary Dwellings

If your customer owns and occupies or rents and occupies a one- or two-unit dwelling in addition to your customer's primary residence, it is eligible for homeowners coverage but must be insured on a separate policy. Coverage may be written on all forms.
